## Discretionary Appropriations Increases

### FY1996 – FY2004

**Federal funding for education has more than doubled over the past nine years. Discretionary appropriations for the Department of Education have climbed from \$23 billion in FY 1996 to more than \$55 billion in FY04 - an increase of 142 percent. And the President's FY05 Budget Request boosts funding again, to \$57.3 billion.**
